I John vogo om witing this letter Be-Cover I Belove Some one or Several of My Co- worker or trying to get me Fided From My Poston as a Superisor

I have Been interviewed By the Sherritt Dest

I Beleve someon o- Several people are Planting Madratrons in most locker that down Not Belong to Mez

I know that in the past I had produced with Bryen Soit which whe about a few capo.

According to the investigation the Meditation

Frond it my locker Belonging to different residents

I show a year old which Fits the time

Flowe When Bryen exel to work there

Bryen also accossed me of Stealing has Bedge

to swore into work. Byen and I have had a

Couple of controcations in the first when the told me

Wrock you, you passy that I won for get.

Frontain his Buyen was later found of the

Frontany his Budge was later towns of the

Perking lot where I would fork my telicle.

Not long ago after the investigation Started

prove Sow he putting gas and he nade it

a fant to Drive By and he Started laughlys

Cet Me, I suspect he May be warry with 27577

on gover yerd Size they are Closer in age.

one Morning I Came into ware und I Conghit

youtho oftege asless in the Tive Rosson. I reported

the medeens to her Sopriories time Goverte.

I collect Corinno Domingra over Division Director

and explained what happened. I don't know what

became of it.

Approximately A month later I worked , 200 El peso pluse is when 3-4 a 11-7 were working was 4 Stuff 2 m such unit. It was around 6:30 km I observed greate orteger stay of the Noves Stand But I did Not see enjour else, I asked youther who The way working wish and she sind Moranda I corne He where she was and she stated I don't know, I walked to Meson Corrage but did Not Find hur there so I worked Book to 1) Puso and Monde was softing west to greate treating - Book I save protect where she was at when I Game in a she shated She was disay lowerday, Both Grette and Moode Clacked out alt 7:00 km. Feelings that Smething wind NOT right I Checked the land by room and the landy Form was empty I began closery all the Entry Verent Boggs Proons and I found a tetolity Mede Bed with Pollows on one of the Empty Comes that was prat occupied By a president. I Couled Cathy Magan director of Nowsing to tell by about the Blankets on the Bed and that I Suspected that they were tracing two sleeping. Thorty after 3-11 + 16-7 Stoff were reduced to 3 Stoff I (Crow

Stall was not teppy since they were getting Briced out

A Coulder of when later I was Confronted By

The Gorde in Front of Staff that an alregation was

Made that a Best in elloso was Body word By har

Staff to Steep in and she said to me in a lood

Voice This is Ridaulous! I contained my word

and they left at 7:00 to.M.

Two to three weeks present and I tick a Call

From investigations that an incident regent had Been

Made toward Me When I Stoke to the iteration

I tound out that greate a try Muse the accusation

that I found he ashers and that I Called he

Badwards typhical at the the witnessess were Mirrarden

t True. I told the investigator that this Never

haspered and the alregation of the yellog at har was

Not true. Apprently Come my soperisor know

about the angelow Sheared Me. wish was warding

that the Morang that I found the Bed Made in 6h.

Pros and I told her that it was yeleste at Mirardan

She smiles and Modern Tike the head a Feeling that theirs

were connected.

At this point I Gallised Course that Pauline lucero one of Time's STATE One to Me and told me that The was going around disking her state to Make False allegations and an incleant reports or ME SI that they Could get tid of sile a I told Crowne that they could get tid of sile a I told Crowne

Her to write incident reports that were Not True towards me and that paster had started yes this is why I am taking you. I worked fewline it she was willing to tell Frime au Birtier Derector and She Sid she would As Fer as I knows Pensone did of to Cartains OFFice and advised her of what was happenly on the 11-7 Shift of Feet that at this point Comme Ittould have removed the or Time would this altegation of What time was troying to got her steet to do against the Wes looked into and resolved. When I red the represent a Bout the yelling and Cassey at grette I could Not believe that It Not Ceties all that was beenevery on the mot and with the rational ported By Pauline lucero. Another Change on the world that I was reportible For was the door to the T.V. Reem to remain closed From (0:30 P.M. - 6:00 hum, and Comme agreed and Sent a mino to pull supervisors including Tima. The reason what I asked to the dear to remain Closed was Because there we are tradent when one of on Mesikents Stated that She Fer in the Bestion and floor 127 SAFF did Not help Her or Fird her Because they used all in the T.V. Room, Early Hat Morning way transperted to teta Vista Hospital Viola arepulance, which was on the 7-3 SHIFT.

This was another reason who 11-7 was Not Horry with Men I did it for the Sweety of the residents. Unfortunessely Now that they work with 3 start only one start will be on one Unit to do t plan what went they want and since there we NO Cornerous on the virit any Dody can come a go as they want,

I feel I am Being retalianted and I can
Being set up Because of the Changes I Made,
I thorestry deletive that The Hospital should
of Phied Surveillance Comerces on Born El Pasa 4
Mesa 1:Kel they did at the other units.

Comeros on Both of these Units

Most importantly For the Satisfy of the residents!

Thank you, since by folia light

And she said to me in a loud voice that This is ridiculous.' I continued my work and they left at 7:00 a.m. "Two or three weeks passed and I received a call from Investigations that an incident report had been made towards me. When I spoke to the investigator, I found out that Yvette Ortega made the accusation that I found her asleep and that I" "that I caught" "called her bad words and yelled at her. The witnesses were Miranda and Tina. I told the investigator that this never happened and that the allegation of me yelling at her was not true. "Apparently Corinne, my supervisor, knew about the allegation. She asked me who was working at the" "working where the" "that morning that I found the bed made in El Paso. And I told her that it was Yvette and Miranda. She smiled and nodded like she had a feeling that this was connected. "At this point, I advised Corinne that Pauline Lucero, one of the Tina's staff came to me
2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	confrontations in the past where he told me, you know" I don't want to say bad words. Do I say the bad words? ALJ COOPER: Go ahead. It's fine. MR. ROMERO: Yeah. THE WITNESS: "Fuck fuck you, you pussy. This is not over yet. "Ironically, his badge was later found on the parking lot where I usually park my vehicle. Not long ago after the investigation started, Bryan saw me putting gas and he made it a point to drive by and he started laughing at me. I suspect he may be working with staff at graveyard, since they are closer in age. "One morning I came in to work and I caught Yvette Ortega asleep in the TV room. I reported the incident to her supervisor, Tina Gurule. I called Corinne Dominguez, our division director, and explained what happened. I don't know what became of it. "Approximately a month later, I walked into El Paso. This is when 3:00 to 11:00 and 11:00 to 7:00 were working with four staff, two on each unit.	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22	bed in El Paso was being used by her staff to sleep in. This was another reason why 11:00 to 7:00 was not happy with me. I did" "I did it for the safety of the residents. "Unfortunately, now that they work with three staff, only one staff will be on one unit to do and plan whatever they want. And since there are no cameras on the unit, anybody can come and go as they want. "I feel I am being retaliated and I am being set up because of the changes I made. I honestly believe that the hospital should place surveillance cameras on both El Paso and Mesa, like they did on other units. As a supervisor, I urge NMBHI to please place cameras on both of these units. Cameras will prevent staff from sleeping and make" "or making false allegations against their peers. Most importantly, for the safety of the residents. "Thank you. Sincerely, John Vigil." MR. ROMERO: I pass the witness. ALJ COOPER: And before we do that, can I	MR. TREMAINE: I was going to say if we were going to be done, then I would just keep going. I can I can do this now or we could just come back and do cross and MR. TREMAINE: I I think it's it's not going to be extensive, but I I at the rate at the pace things are going, I would expect I think he's been on for about an hour, maybe 45 minutes. ALJ COOPER: What do we think? Lunch now or after? MR. ROMERO: I'm flexible, Your Honor. I MR. ROMERO: I am, too. It doesn't matter to me. MR. ROMERO: Yeah. I It doesn't matter to me. ALJ COOPER: I mean, I prefer to hold direct and cross together, but if MR. TREMAINE: Okay. ALJ COOPER: you'd prefer to go for lunch, that's fine.
